## Benefits

Purchase Online - <http://shop.electrolux.com.au/>  
Order online for delivery direct to your door.

Suitable for all Electrolux UltraPerformer Vacuum Cleaners  
UltraPerformer Vacuum Cleaner Starter Kit with HEPA filtration.

**Everything Needed to Keep Your Vacuum Performing**  
Global research shows that an average household collects between 14L - 17L of dirt each year. With this in mind Electrolux has created a value pack of all the consumables required to keep Electrolux vacuums performing at their best for up to 1 year.

**Easy to Change Filters**  
An easily accessible filter makes maintaining your vacuum a breeze.

**Rid Homes of Allergens and Bacteria**  
The filtration included in this kit purifies air by up to 99.95%, capturing harmful allergens and bacteria.

**Swedish Design and Manufacture**  
For over 100 years Electrolux has been a global leader in vacuums, transforming household cleaning through design, performance and innovation. This product has been designed and manufactured in Sweden to the highest quality standards you'd come to expect from the market experts.

**No Offensive Odours**  
S-fresh lemon spreads a delicate but distinctly clean lemon scent throughout your home every time you vacuum. Easy to use, simply open the sachet, scatter granules on floor and then vacuum up.

**Motor Protection**  
The washable foam filter and the motor filter protect your vacuum cleaner motor from dust particles inside the dust container. Cut the motor filter using indications printed directly on the filter. All filters should be replaced regularly, at least twice a year or when they become visibly soiled.

**Clean Air**  
The HEPA 12 filter captures even the finest particles of pollen, mould spores, dust mite faeces and allergens, purifying 99.5% of the air leaving the vacuum cleaner.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
