Thank you for purchasing the Panasonic product.
• This product is intended for household use only.
• Please read these instructions carefully and follow safety precautions when using this product.
• Before using this product please give your special attention to “Safety Precautions” (Page 2-3).

Reserve it for later use
In order to prevent accidents or injuries to the users, other people, and damage to property, please follow the instructions below.

■ The following charts indicate the degree of damage caused by wrong operation.

⚠️ WARNING: Indicates serious injury or death. ⚠️ CAUTION: Indicates risk of injury or property damage.

■ The symbols are classified and explained as follows.

These symbols indicate prohibition. This symbol indicates requirement that must be followed.

⚠️ WARNING

■ Do not use the appliance if the power cord or power plug is damaged or the power plug is loosely connected to the power outlet.
(It may cause an electric shock or fire caused by short circuit.)

■ Do not damage the power cord or power plug.
Following actions are strictly prohibited.
Modifying, placing near heating elements, bending, twisting, pulling, putting heavy objects on top, and bundling the cord. (It may cause an electric shock or fire caused by short circuit.)
- If the supply cord is damaged, it must be replaced by a special cord or assembly available from the manufacturer or its service agent.

■ Do not插 or unplug the power plug with wet hands.
(Plugging other devices into the same outlet may cause electric overheating, which may cause a fire.)
- Use only an extended cord rated at 10 amperes minimum.

■ Do not get your face close to the steam vent or touch it with your hand. Keep the steam vent out of reach of small children.

■ Do not insert any objects in the steam vent or gap.
Especially metal objects such as pins or wires. (It may cause an electric shock or malfunction.)

■ This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.
(Plugging other devices into the same outlet may cause electric overheating, which may cause a fire.)
- Use only a power outlet rated at 10 amperes and alternating electric voltage at 240 volts.

■ Do not immerse the appliance in water or splash it with water.
(Plugging other devices into the same outlet may cause electric overheating, which may cause a fire.)
- Please enquire with an authorised dealer if water gets inside the appliance.

■ Do not modify, disassemble, or repair this appliance.
(Otherwise it may cause an electric shock and fire caused by the heat that may generate around the instrument plug or the power plug.)
- Do not use a broken power plug or a loose power outlet.

■ Clean the power plug regularly.
(A soiled power plug may cause insufficient insulation due to the moisture, and may cause a fire.)
- Unplug the power plug, and wipe with a dry cloth.

■ Discontinue using the appliance immediately and unplug the power cord in cases of abnormal situations and breaking down.
(Plugging other devices into the same outlet may cause electric overheating, which may cause a fire.)
- Please make enquiries at Panasonic authorised service centre for inspection and repair immediately.
Precautions for Use

Please put in correct amount of rice and water and select functions correctly according to the operating instructions. (So as to avoid overflow of rice water, half-cooked rice or scorched rice.)

Do not put ingredients to be cooked directly into the appliance in which no pan is placed. Do not cook without pan. (So as to prevent any impurities from causing failure.)

Avoid using the appliance under direct sunlight. (So as to avoid colour change.)

Before using the appliance, the anti-tarnish paper between the pan and the cast heater should be removed. (So as to avoid poor cooking or fire.)

Do not cover the outer lid with cloth or other objects when the appliance is in use. (So as to avoid deformation, colour change of the outer lid or failure.)

Do not serve out rice with any metal object. (So as to avoid scratching the pan coating and causing peeling of the coating.)

Please always clean the foreign matters such as rice on the pan, cast heater and temperature sensor.

Foreign matters
Cast heater
Pan
Temperature sensor

• Do not tilt or overturn the appliance.
• Before cleaning, turn off the power switch and pull out the power plug.

When there is any overflow of rice water from the steam vent, pull out the power plug immediately to disconnect the power supply. Do not resume the use until the rice water on the power plug and the instrument plug is cleaned with a dry cloth.

The appliance is for household use only. Do not use it for any commercial or industrial purposes or any purposes other than cooking.

When power failure occurs during the operation of the appliance, the cooking result may be affected.
Parts identification

Display

1. Press this button to select a cooking function.
2. Press this button to enter Keep Warm mode.
3. Press this button to preset timer.
4. Press this button to start setting cooking timer.
5. Press this button to cancel the operation.
6. Press this button to start cooking.

Accessories

Measuring cup (1)  (Approx. 180 mL)
Adjustable steam basket (1)
Rice scoop (1)
Porridge scoop (1)
Preparations

1. Measure rice with the measuring cup provided.
   - The volume of the measuring cup is about 180 mL.
   - For the maximum quantity of the rice to be cooked at once, refer to specifications in P.16.

2. Wash the rice till the water turns relatively clear.
   ① Wash the rice quickly with plenty of water and stirring the rice lightly to wash it while changing water.
   ② Repeat it for several times (wash the rice → pour out water), till the water turns relatively clear.

   **Attention**
   - In order to avoid scratching the non-stick coating on the pan surface, do not wash rice in the pan.
   - Wash the rice thoroughly. Otherwise, rice crust may appear and the residual rice bran may affect the taste of the rice.

3. Add the washed rice or other ingredients into the pan.
   - Use water line on the pan to measure water quantity as follow

<table>
<thead>
<tr>
<th>Function</th>
<th>Water line</th>
</tr>
</thead>
<tbody>
<tr>
<td>White Rice</td>
<td>White Rice</td>
</tr>
<tr>

</tbody>
</table>

   - In the Soup/Slow Cook function, the total amount of ingredients and water shall not exceed the maximum water line for "White Rice".
   - Dry the outside surface of the pan. If it is wet, it may cause noise while cooking. Any foreign matters between the pan and the cast heater may damage the unit.
   - Please make sure that the pan is on leveled surface.
   - Please measure water by aligning water line left side and right side.
   - If rice is too hard or too soft, please adjust water quantity according to your personal taste.

<Example>
When the rice quantity is 5 measuring cups, wash the rice and put into the pan, then add water into the pan till the water surface reaches scale "5" at water line of "White Rice".

SR-ZE185
Preparations

4 Put the pan into the body and close the outer lid.
   • In order that the bottom of pan can be closely attached to the cast heater, please rotate the pan along the direction indicated by the arrow for 2 or 3 times.
   • Close the outer lid until it clicks.

5 Connect the plugs.
   • Please insert the instrument plug into the body first, and then connect the power plug. Make sure that both plugs are securely connected.

CAUTION
   • The right table shows the maximum allowable amount of rice that can be cooked at a same time steaming with the adjustable steam basket.

<table>

The maximum amount of rice (in measuring cups)
Operations (Cooking with the White Rice, Jasmine, Multi Grain, Quick Cook, Brown Rice or Sticky Rice function.)

1. Press button to point to White Rice, Jasmine, Multi Grain, Quick Cook, Brown Rice or Sticky Rice function.
   • The indicator blinks.

2. Press button.
   • The indicator lights up and the cooking starts.
   • Before cooking is completed, the LCD display will show the remaining time in 1 minute decrement.

* If you want to preset the timer for White Rice, Jasmine, Multi Grain, Brown Rice or Sticky Rice, please refer to “Using the Timer” (on Page 12).

The cooking is over

Stir and loosen the rice.
• When cooking is over, the electric rice cooker beeps and automatically switches to the Keep Warm function (The indicator turns off and the indicator lights up automatically).

Keep Warm

• When the cooking is over, all function will turn to Keep Warm function automatically (except Steam function). But some functions are not recommended to use with Keep Warm function. Please press or button to exit Keep Warm function.
• You can keep the rice warm for up to 5 hours, so as not to affect the taste or cause strange smell.
• When in Keep Warm function, there may be some droplets at the edge of the pan.
• The rice taste may be affected if rice scoop is left in the electric rice cooker during Keep Warm function.

○ : Can be used, × : Not recommend for use
### Functions Claypot

**1.** Press button to point \(\downarrow\) to Claypot function.
   - The \(\uparrow\) indicator blinks.

**2.** Press \(\uparrow\) button.
   - The \(\downarrow\) indicator lights up and the cooking starts.
   - Before cooking is completed, the LCD display will show the remaining time in 1 minute decrement.

### The cooking is over

Press \(\downarrow\) button.
- When cooking is over, the electric rice cooker beeps and automatically switches to the Keep Warm function (The \(\uparrow\) indicator turns off and the \(\downarrow\) indicator lights up automatically). However, we do not recommend using the Keep Warm function as it may affect the taste. Press the \(\downarrow\) button to exit the Keep Warm function and unplug the power plug.

### Important Information
- The amount of rice is specified in specifications. (P.16)
- Ingredients are evenly placed on the surface of the rice, it is not mixed.
- When placing ingredients, they cannot go above the maximum water line for "White Rice".
- Do not open the outer lid while cooking. (Cooking result may not be satisfactory.)
Functions  Porridge

Operations (Cooking with the Porridge function.)

1 Press button to point to Porridge function.
   - The indicator blinks.

2 Press button.
   - The indicator lights up and the cooking starts.
   - Before cooking is completed, the LCD display will show the remaining time in 1 minute decrement.

   If you want to preset the timer for Porridge, please refer to “Using the Timer” (on Page 12).

The cooking is over

Press button.
   - When cooking is over, the electric rice cooker beeps and automatically switches to the Keep Warm function (The indicator turns off and the indicator lights up automatically). However, we do not recommend using the Keep Warm function as it may become too thick. Press the button to exit the Keep Warm function and unplug the power plug.

Important Information
- The amount of rice is specified in specifications. (P.16)
- If using too much water, it may cause water overflow.
- It’s not recommended to use Keep Warm function since porridge may become thick.
- When the outer lid is opened during cooking, the amount of moisture condensation may be increased.
Preparations

• Add the required amount of water.
• Place the adjustable steam basket into the pan as shown.
• Place foods to be steamed into the adjustable steam basket.
• Close the outer lid.

Operations (Cooking with the Steam function.)

1 Press  button to point  to Steam function.
   • The  indicator and blink (as the default cooking time for Steam function).

2 Press  button to set the cooking time as your desire.
   • You can set the cooking time from 1 to 60 minutes (1 minute increment).
   • Keeping the button pressed will make setting faster.

3 Press  button.
   • The  indicator lights up and the cooking starts.
   • After water is boiled, the LCD display will show remaining time in 1 minute decrement.

The cooking is over

• The electric rice cooker beeps and automatically switches off. (The  indicator turns off.)
**Functions Soup/Slow Cook**

1. **Press** button to point to Soup/Slow Cook function.
   - The indicator and **•** blink (as the default cooking time for Soup/Slow Cook function).

2. **Press** button to set the cooking time as your desire.
   - You can set the cooking time from 1 to 12 hours (30 minutes increment).
   - Keeping the button pressed will make setting faster.

3. **Press** button.
   - The **•** indicator lights up and the cooking starts.
   - The LCD display will show remaining time in 30 minutes decrement and reduce to 1 minute decrement when cooking time is less than 1 hour.

**Important Information**
- The maximum amount of ingredients and liquid for Soup/Slow Cook cannot exceed the maximum water line for "White Rice".

**Preparations**
- Place all ingredients into the pan.
- Close the outer lid.

**Operations (Cooking with the Soup/Slow Cook function.)**

1. **Press** button to point to Soup/Slow Cook function.

2. **Press** button to set the cooking time as your desire.

3. **Press** button.

**The cooking is over**

**Press** button.
- When cooking is over, the electric rice cooker beeps and automatically switches to the Keep Warm function (The **•** indicator turns off and the **•** indicator lights up automatically). However, we do not recommend using the Keep Warm function as it may affect the taste. Press the button to exit the Keep Warm function and unplug the power plug.
Using the Timer

The presetting time is a countdown timer.
• The electric rice cooker will complete cooking when the number of hours that was set has elapsed.
• Time can be preset as 24 hours in advance.

Example
If the timer is set for 2h, cooking will be completed at 2 hours after \(\text{button} \) is pressed.
* When the preset timing is less than the required timing for cooking, the electric rice cooker will start cooking as soon as \(\text{button} \) is pressed.

Operations

1. **Press \(\text{button} \) to select function.**
   • Applicable function for timer setting:

<table>
<thead>
<tr>
<th>Function</th>
<th>Function</th>
</tr>
</thead>
<tbody>
<tr>
<td>White Rice</td>
<td>Brown Rice</td>
</tr>
<tr>
<td>Jasmine Rice</td>
<td>Sticky Rice</td>
</tr>
<tr>
<td>Multi Grain</td>
<td>Porridge</td>
</tr>
</tbody>
</table>

2. **Press \(\text{button} \) to set the timer as your desire.**
   • The first time \(\text{button} \) is pressed, the previous timer setting will be displayed.
   • The timer and the \(\text{indicator} \) blink.
   • The timer will advance 10 minutes each time.
   • Keeping the button pressed will make setting faster.

3. **Press \(\text{button} \).**
   • The \(\text{indicator} \) turns off and the \(\text{indicator} \) lights up.
   • When cooking starts, the \(\text{indicator} \) turns off and the \(\text{indicator} \) lights up.
   • Timer setting can't be used in the following function.

<table>
<thead>
<tr>

</tbody>
</table>
Cleaning and maintenance

- Be sure to unplug and carry out these operations when the appliance is cooled down.
- Do not use objects such as benzine, thinners, cleansing powder or metal scrubbers.

**Inner lid**

- **Remove the inner lid**
  Get hold of two tabs, then pull it to your direction.
- **Attach the inner lid**
  1. Insert the protruding part into the locker on the outer lid in a tilted way.
  2. Press the tabs (both sides) inwards the outer lid sides until the click sound is heard.

**Pan**

Wash with a diluted dishwashing detergent and sponge and wipe off the external surface of the inner pan.

**Temperature sensor / Cast heater**

If an object has become stuck to the temperature sensor / cast heater, slightly polish it off using fine sandpaper (of about # 600). Then wipe with a well-wrung cloth.

**Upper frame**

Wipe with well-wrung cloth.

**Body / Outer lid**

Wipe with a well-wrung cloth.

- Do not use a dishwashing detergent.

**Accessories**

- Measuring cup
- Adjustable steam basket
- Rice scoop
- Porridge scoop

- Wash with a diluted dishwashing detergent and sponge.
How to use adjustable steam basket

1. Height adjustment
   Put your thumb on the ring on the inner wall of the rotating part, lift and slightly turn it counterclockwise, and then release your finger. The height of the adjustable steam basket will increase. To restore the previous size, hold the bottom of the rotating part with your palm, slightly turn it clockwise, and lift it up to clap.

2. Disassembly
   Firstly, restore the adjustable steam basket to the initial state (shallow), turn it over on the table, and then press down firmly on the rotating part up to clap. Fixed part and rotating part will separate.

3. Assembly
   Direct the protrusion on the edge of the rotating part towards the trough on the inner wall of the fixed part, and then press with force on the bottom of the rotating part up to clap.

*1 Cooking time may vary depending on supply voltage, room temperature, kind of rice, cooking quantity, water quantity and water temperature.

*2 Rice cooked (white rice at minimum cooking quantity) within 15 minutes. (Under Panasonic test method)
Home Appliance 12 Month Warranty from Date of Purchase

1. Subject to the conditions of this warranty Panasonic or it’s Authorised Service Centre will perform necessary service on the product without charge for parts or labour, if in the opinion of Panasonic, the product is found to be faulty within the warranty period. For Line Communications products (i.e. Cordless Phones, etc) the genuine battery(s) has a 3 month warranty.

2. This warranty only applies to Panasonic products purchased in Australia and sold by Panasonic Australia or its Authorised Distributors or Dealers and only where the products are used and serviced within Australia or it's territories. Warranty cover only applies to service carried out by a Panasonic Authorised Service Centre and only if valid proof of purchase is presented when warranty service is requested.

3. This warranty only applies if the product has been installed and used in accordance with the manufacturer’s recommendations (as noted in the operating instructions) under normal use and reasonable care (in the opinion of Panasonic). The warranty covers normal domestic use only (also Clip & Trim Professional use) and does not cover damage, malfunction or failure resulting from use of incorrect voltages, incorrect installation, accident, misuse, neglect, build-up of dirt or dust, abuse, maladjustment of customer controls, mains supply problems, thunderstorm activity, infestation by insects or vermin, tampering or repair by unauthorised persons (including unauthorised alterations), exposure to abnormally corrosive conditions or any foreign object or matter having entered the product.

4. This warranty does not cover the following items unless the fault or defect existed at the time of purchase:
   
   (a) Cabinet Parts
   (b) Microwave Oven cook plates.
   (c) User replaceable Batteries
   (d) Kneader mounting shaft unit and Heads, Cutters, Foils, Blades and other accessories.
   (e) Noise or vibration that is considered normal

5. To claim warranty service, when required, you should:

   - Telephone Panasonic’s Customer Care Centre on 132600 or visit our website referred to below and use the Service Centre Locator for the name/address of the nearest Authorised Service Centre.
   - Send or take the product to a Panasonic Authorised Service Centre together with your proof of purchase receipt as a proof of purchase date. Please note that freight and insurance to and / or from your nearest Authorised Service Centre must be arranged by you.

6. The warranties hereby conferred do not extend to, and exclude, any costs associated with the installation, de-installation or re-installation of a product, including costs related to the mounting, de-mounting or remounting of any screen, (and any other ancillary activities), delivery, handling, freighting, transportation or insurance of the product or any part thereof or replacement of and do not extend to, and exclude, any damage or loss occurring by reason of, during, associated with, or related to such installation, de-installation, re-installation or transit.

Panasonic Authorised Service Centres are located in major metropolitan areas and most regional centres of Australia, however, coverage will vary dependant on product. For advice on exact Authorised Service Centre locations for your product, please telephone our Customer Care Centre on 132600 or visit our website and use the Service Centre Locator.

In addition to your rights under this warranty, Panasonic products come with consumer guarantees that cannot be excluded under the Australian Consumer Law. If there is a major failure with the product, you can reject the product and elect to have a refund or to have the product replaced or if you wish you may elect to keep the goods and be compensated for the drop in value of the goods. You are also entitled to have the product repaired or replaced if the product fails to be of acceptable quality and the failure does not amount to a major failure.

If there is a major failure in regard to the product which cannot be remedied then you must notify us within a reasonable period by contacting the Panasonic Customer Care Centre. If the failure in the product is not a major failure then Panasonic may choose to repair or replace the product and will do so in a reasonable period of time from receiving notice from you.
Panasonic Warranty

Home Appliance 12 Month Warranty from Date of Purchase

1. Subject to the conditions of this warranty Panasonic or it’s Authorised Service Centre will perform necessary service on the product without charge for parts or labour, if in the opinion of Panasonic, the product is found to be faulty within the warranty period. For Line Communications products (i.e. Cordless Phones, etc) the genuine battery(s) has a 3 month warranty.

2. This warranty only applies to Panasonic products purchased in New Zealand and sold by Panasonic New Zealand or its Authorised Distributors or Dealers and only where the products are used and serviced within New Zealand or it’s territories. Warranty cover only applies to service carried out by a Panasonic Authorised Service Centre and only if valid proof of purchase is presented when warranty service is requested.

3. This warranty only applies if the product has been installed and used in accordance with the manufacturer’s recommendations (as noted in the operating instructions) under normal use and reasonable care (in the opinion of Panasonic). The warranty covers normal domestic use only (also Clip & Trim Professional use) and does not cover damage, malfunction or failure resulting from use of incorrect voltages, incorrect installation, accident, misuse, neglect, build-up of dirt or dust, abuse, maladjustment of customer controls, mains supply problems, thunderstorm activity, infestation by insects or vermin, tampering or repair by unauthorised persons (including unauthorised alterations), exposure to abnormally corrosive conditions or any foreign object or matter having entered the product.

4. This warranty does not cover the following items unless the fault or defect existed at the time of purchase:

(a) Cabinet Parts
(b) Microwave Oven cook plates.
(c) User replaceable Batteries
(d) Kneader mounting shaft unit and from wear and tear in normal use
(e) Noise or vibration that is considered normal

5. To claim warranty service, when required, you should:

- Telephone Panasonic’s Customer Care Centre on 09 2720178 or visit our website referred to below and use the Service Centre Locator for the name/address of the nearest Authorised Service Centre.
- Send or take the product to a Panasonic Authorised Service Centre together with your proof of purchase receipt as a proof of purchase date. Please note that freight and insurance to and/or from your nearest Authorised Service Centre must be arranged by you.

6. The warranties hereby conferred do not extend to, and exclude, any costs associated with the installation, de-installation or re-installation of a product, including costs related to the mounting, de-mounting or remounting of any screen, (and any other ancillary activities), delivery, handling, freighting, transportation or insurance of the product or any part thereof or replacement of and do not extend to, and exclude, any damage or loss occurring by reason of, during, associated with, or related to such installation, de-installation, re-installation or transit.

Panasonic Authorised Service Centres are located in major metropolitan areas and most regional centres of New Zealand, however, coverage will vary dependant on product. For advice on exact Authorised Service Centre locations for your product, please telephone our Customer Care Centre on 09 2720178 or visit our website and use the Service Centre Locator.

Unless otherwise specified to the consumer the benefits conferred by this express warranty are additional to all other conditions, warranties, guarantees, rights and remedies expressed or implied by the Consumer Guarantees Act of New Zealand and all other obligations and liabilities on the part of the manufacturer or supplier and nothing contained herein shall restrict or modify such rights, remedies, obligations and liabilities.

THIS WARRANTY CARD AND THE PURCHASE DOCKET (OR SIMILAR PROOF OF PURCHASE) SHOULD BE RETAINED BY THE CUSTOMER AT ALL TIMES

If you require assistance regarding warranty conditions or any other enquiries, please visit the
Panasonic New Zealand website www.panasonic.co.nz or contact by phone on 09 2720178
If phoning in, please ensure you have your operating instructions available.
