

Philips PowerPro Active
Bagless vacuum cleaner
with PowerCyclone 4
Technology

• 2000W

FC8635/71

Always the highest suction power*

With PowerCyclone 4 Technology

The new Philips PowerPro Active delivers outstanding cleaning results thanks to the PowerCyclone 4 technology. The advance dust container is easy to empty and helps avoiding dust clouds.

Clean air in your home

- The HEPA filter catches microscopic vermin causing allergy

Ergonomic grip for far reach

- Reach all corners thanks to the extra long ergonomic grip

Powerful cleaning performance

- PowerCyclone 4 technology separates dust and air in one go
- 2000 Watt motor for high performance

Easy to clean

- Advanced dust container design for easy to emptying

PHILIPS

Highlights

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

PowerCyclone 4 Technology

The PowerCyclone 4 technology delivers best cleaning results in one go through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

HEPA filter system

The pleated HEPA filter has a large filter surface and good filtration performance. In combination with the cyclonic airflow, this prevents it from clogging fast and gives you better and longer-lasting filtration results.

2000 Watt motor

The 2000 Watt motor generates max. 370 Watt suction power for high performance.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Specifications

Design

- Color: Merlin blue metallic

Performance

- Input power (max): 2000 W
- Input power (IEC): 1800 W
- Suction power (max): 370 W
- Vacuum (max): 33 kPa
- Airflow (max): 37 l/s
- Noise level (Lc IEC): 80 dB

Filtration

- Dust capacity: 1.7 l
- Exhaust filter: Micro filter
- Motor filter: HEPA 10 washable filter

Usability

- Action radius: 9 m
- Cord length: 6 m
- Tube type: Aluminum telescopic tube
- Carrying handle: Top and front
- Tube coupling: Conical
- Wheel type: Rubber
- Power control: Electronic on appliance

Nozzles and accessories

- Standard nozzle: Multi-purpose Nozzle
- Accessories: Crevice tool, Small nozzle
- Accessory storage: On tubeclip

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Weight of product: 6 kg
- Dimensions of product (LxWxH): 473x304x301 mm
