

Philips PowerPro
Bagless vacuum cleaner
with PowerCyclone
technology

• 2000W

FC8761/72

Effortless cleaning, powerful performance

With PowerCyclone technology and TriActive nozzle

The new Philips PowerPro effortlessly cleans your floors thanks to the PowerCyclone technology. The advanced dust container is easy to empty and helps avoiding dust clouds.

Powerful cleaning performance

- PowerCyclone technology separates dust and air in one go
- 2000 Watt motor for high performance

Easy to clean

- Advanced dust container design for easy emptying
- Washable foam filter for life-long performance

Extra long reach for convenient cleaning

- 11 m action radius for more cleaning with a lot less effort

PHILIPS

Highlights

PowerCyclone technology

The PowerCyclone technology delivers best cleaning results in one go through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

2000 Watt motor

The 2000 Watt motor generates max. 360 Watt suction power for high performance.

Easy to empty dust container

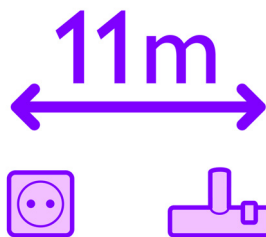

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Life-long washable foam filter

The foam filter can be easily washed under the tap for life-long performance.

11 m action radius

Philips vacuum cleaner with an extra long reach gives you more cleaning convenience.

Specifications

Design

- Color: Deep black

Performance

- Input power (max): 2000 W
- Input power (IEC): 1800 W
- Suction power (max): 360 W
- Vacuum (max): 33 kPa
- Airflow (max): 37 l/s
- Noise level (Lc IEC): 80 dB

Filtration

- Dust capacity: 2 l
- Exhaust filter: HEPA 10 Washable filter
- Motor filter: Washable double foam filter
- HEPA Air Seal

Usability

- Action radius: 11 m
- Cord length: 7 m
- Tube type: Metal 2-piece telescopic tube
- Carrying handle: Top and front
- Tube coupling: Easy release
- Wheel type: Rubber
- Power control: Electronic on appliance

Nozzles and accessories

- Standard nozzle: TriActive nozzle
- Accessories: Crevice tool, Small nozzle
- Accessory storage: On tubeclip

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Weight of product: 5,5 kg
- Dimensions of product (LxWxH): 440 x 300 x 290 mm

Issue date 2013-05-22
